I am truly blessed with the help and support of my Brother Knights and the support of their family. **Thank You** for all your hard work and dedication to the Knights activities.

Our activities couldn't happen without the expertise of our "seasoned" Knights; and we need your support to help in our upcoming activities. Please consider being a co-chairman to help run and be stand-in as needed. I want to **Thank you** in advance to be that secondary person to help out.
