

Council #13360 - Supports CTK Women's Retreat

Published by: Mark Tepen on 02/02/2019

On Saturday, January 26, Christ the King in Ann Arbor held their annual Women's Retreat. And the Knights of Columbus of Council #13360 were there with other men of the parish to support and help out. Approximately 200 women attended this retreat. The Knights and men of the parish made coffee and served snacks in the morning, set up for lunch, and helped with the take down and cleanup after the event. Even our Council's Chancellor, Deacon Wayne Slomiany, served at the Retreat Mass and delivered the homily! Thanks to all who helped out at this event!
