On January 27 our Michigan State Officers and 30 others joined the hundreds of thousand Pro-Lifers in the March for Life in Washington D.C. Riding overnight on a travel bus, we arrived in time for the Vigil Closing Mass at the Basilica of the Immaculate Conception. We then spent the day around D.C. and moved to the Mall to listen to the scheduled speakers which included Vice President Mike Pence. The highlight of the trip was the March which concluded in front of the steps of the Supreme Court building. After spending the evening in Arlington, Va. We bussed back to Chelsea and Lansing. Pictured above is the State Deputy addressing our busload as we left for Michigan. On the right is our host for the trip State Program Director Dale Schaedig.
