To promote the activities of our local councils around the State, various council programs will be posted here.

Send your stories of worthy council programs along with pics to [g.merritt@mikofc.org](mailto:g.merritt@mikofc.org).

Here is the first article of the Fraternal year from council [1266](#).

On Monday July 9<sup>th</sup> members of the Knights of Columbus Council [1266](#) in Monroe volunteered to prepare and serve lunch for approximately 100 campers and volunteers at [Holiday Camp](#).

Since 1954, Holiday Camp has provided summer programming for Monroe County youth with disabilities. Located on beautiful 3 1/2-acres along the River Raisin, Holiday Camp is a special summer place where youth with disabilities can relax, explore, develop new skills, flex their muscles, and learn teamwork; all in a fun-filled atmosphere of support .
