Published by: Gary Merritt On: 01/30/2019 Under: All Articles

We have asked our Supreme Trainer and Regional Growth Director to come to Michigan and update us on new ideas from Supreme. Our Regional Training Director, **Jon Olson** is doing just that, he is bringing the newest training from Supreme. This should be informative and will make us up to date and ready to finish the year strong. Our Regional Growth Director has been charged by Our Supreme Knight to help Michigan be all we can be and will offer his assistance with any issues that you may have.

Your attendance is very much appreciated and much expected.

The Training will be conducted by

Regional Training Director Brother Jon Olson.
