South Dakota has Sturgis, Wisconsin has Oshkosh and Northeast Michigan has Posen. All three small towns experience a growth in population due to an annual event: Motorcycle Rally, AirVenture Show, and a **Potato Festival**, respectively.

Held annually the weekend after Labor Day, the Posen Potato Festival is fun for the whole family. Good food, good music, carnival, arts & crafts, plus much more. The grand parade is always on Sunday. This year our State Deputy Bill Chasse and our First Lady Marybeth were invited by Fr. Casimir Szyper Council 6657 to ride on their float.
